

Instructions to Search Certificates of Compliance

The following instructions explain the steps to be taken that will allow the Consumer Product Safety Commission (CPSC) or the U.S. Customs and Border Patrol (USCBP) to search certificates of compliance on AFSL's website.

Access to the Searchable Database

To access the Database you must have been issued a password by AFSL. Go to the following URL: <http://www.afsl.org/cpscuscgb.html> . To access the secured database click on the *first link* on that page (See screenshot below). Once you get to the new page, you will be prompted to enter your password.

Once you *click* on the *Submit* button, you will be able to enter the secure database. This will allow you to search all of the certificates filed by all importers. You may search by any one or any combination of the

fields on this page. If you want to access all of the certificates, leave all the fields blank and *click* on the *Submit* button.

AFSL Certificate of Compliance Search
